

Board Candidate Profile

Each candidate was asked to provide a two-sentence statement on why they want to be elected to the Board and if elected what they can bring to the Board. Please find the submissions below:

Kendra Dixon (Incumbent)

As a homeowner, I have a big stake in the safety, cleanliness and improving the amenities in BW. I have served on the board for 2 years and we have made many improvements and I'd like to continue serving and making positive changes.

Monica McCoy

To protect our property values and maintain the quality of life we expect in our community and to give back to our community and neighbors. I have a vested interest in your investment. By becoming involved with our Homeowners Association, I can take an active role in maintaining property values and ensuring our community's quality of living.

Martin Braniff

I'm a Process Simulation Engineer living in Lakes of Bridgewater with my wife and 2 children. If elected I would aim to increase community involvement and awareness of what's going on in our neighborhood through the integration of technology in interactions between the board and the community.

Dan Stadnick

I care about our community, I love my neighbors, and we have a well-intentioned HOA board that does it's best to serve everyone. My focus will be on a fair enforcement of deed restrictions, promoting family friendly activities that will bring our community together, and listening to the concerns of all residents so that I may better represent them at the board meetings.

Koorosh Vafadaeri

My name is Koorosh (Koo) and I do not agree with the current HOA. I was the candidate at the annual meeting who fought against the HOA. If you are tired of getting stupid letters, secrecy, and lack transparency then vote for me.
