

(a) The right of the Association to charge a reasonable admission and other fees for the use of any recreational facilities situated on the Common Area;

(b) The right of the Association to suspend a Member's voting rights and right to use the recreational and other facilities owned or operated by the Association, excluding domestic water, for any period during which any easement against his Lot or any other sum due the Association by him remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations; and

(c) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purpose and subject to such conditions as may be determined by the Association.

Section 2. Delegation of Use. Any Owner may delegate in accordance with the Bylaws of the Association, his right or enjoyment to the Common Area and facilities to members of his family, his tenants, or contract purchasers who reside on the Lot owned by him. The Declarant, for each Lot owned within the Subdivision, hereby covenants, and each Owner of any Lot, by acceptance of a Deed therefor, whether it shall be express in the Deed or the evidence of the conveyance, is deemed to covenant that any lease executed on a Lot shall be in writing and contain provisions binding any lessee thereunder to the terms of this Declaration of Covenants, Conditions and Restrictions and any rules and regulations published by the Association applicable to the Common Area and further providing that noncompliance with these terms of the lease shall be a default thereunder.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Organization. The Association is organized as a nonprofit corporation under the laws of the State of Texas. The principal purposes of the Association are the collection, expenditure and management of the maintenance funds, enforcement of the Declaration, providing for the maintenance, preservation, and architectural control (when the powers of the Committee terminate and the Committee's powers vest in the Association) within the Subdivision, the general overall supervision of all of the affairs and well being of the Subdivision and other Subdivisions within its jurisdiction and the promotion of the health, safety and welfare of the residents within the Subdivision and other Subdivisions within its jurisdiction.

Section 2. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in a Lot which is a part of the Subdivision, including contract sellers, shall hold a membership in the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. Any mortgagee or lienholder who acquires title to any Lot

or other evidence of the conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) Annual assessments or charges;
- (b) Special assessments for capital improvements; and
- (c) Any other sums to the extent they are specifically provided for elsewhere in this instrument.

Such assessments or charges are to be fixed, established and collected as hereinafter provided. These charges and assessments, together with such interest thereon and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be secured by a continuing lien upon the Lot and improvements thereon against which such assessments or charges are made. Each such assessment or charge, together with such interest, costs and reasonable attorney's fees shall also be and remain the personal obligation of the individual or individuals who owned the particular Lot at the time the assessment or charge fee due notwithstanding any subsequent transfer of title to such Lot. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Subdivision. Without limiting the foregoing, the total assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward the payment of all taxes, insurance premiums and repair, maintenance and acquisition expenses incurred by the Association and at the option of the Board of Directors of the Association for any or all of the following purposes: lighting, improving and maintaining streets, alleyways, sidewalks, paths, parks, parkways, and esplanades in the Subdivision and in other subdivisions within its jurisdiction; collecting and disposing of garbage, ashes, rubbish, and materials of a similar nature; payment of legal and all other expenses incurred in connection with the collection, enforcement and administration of all assessments and charges and in connection with the enforcement of this Declaration of Covenants, Conditions and Restrictions; employing policemen or watchmen and/or a security service; fogging and furnishing other general insecticide services; providing for the planting and upkeep of trees and shrubbery on esplanades and in the Common Area; acquiring and maintaining any amenities or recreational facilities that are or will be operated in whole or in part for the benefit of the Owners; and doing any other thing necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the property in the Subdivision and in other subdivisions within its jurisdiction in neat and good order or which they consider of general benefit to the Owners or occupants of the Subdivision and in other subdivisions within its jurisdiction, including the establishment and maintenance of a reserve for repair, maintenance, taxes, insurance, and other charges as specified herein. Such funds may also be used to repair, maintain and restore abandoned or neglected residences and Lots as hereinafter provided. It being understood that the judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and

(b) Completed Living Unit: Those Lots containing a substantially completed but unoccupied Living Unit (that is, a Living Unit that has not been initially occupied), shall be assessed fifty percent (50%) of the full assessment as set by the Board of Directors of the Association; and

(c) Vacant Lots: Those Lots which are vacant or upon which a residence is under construction shall be assessed at a rate equal to fifty percent (50%) of the full assessment as set by the Board of Directors of the Association. If such Owner fails to maintain said Lot in accordance with the requirements set forth in this Declaration, the Association is hereby authorized to do so and any expense the Association incurs thereby shall become a lien on the Lot and the general personal obligation of said Owner.

Section 7. Date of Commencement and Determination of Annual Assessment. The annual assessment provided for herein shall commence as to all Lots on a date fixed by the Board of Directors of the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. However, the failure by the Board of Directors of the Association to fix an annual assessment for any year will not be deemed a waiver with respect to any of the provisions of this Declaration or a release of liability of any Owner to pay annual assessments, or any installments thereof, for that or any subsequent year. In the event of such failure, each Owner shall continue to pay the annual assessment established for the previous year until the new annual assessment is established. The new annual assessment established by the Board of Directors of the Association shall be applied retroactively to the commencement of the then current assessment year and the deficit shall be paid by each Owner within thirty (30) days after receipt of a statement therefor. Assessments shall be due and payable yearly in advance on the first day of January or as directed by the Board of Directors of the Association. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest from the due date at the lesser of (i) eighteen percent (18%) per annum or (ii) the maximum rate permitted by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorneys' fees incurred in any such action shall be added to the amount of such assessment or charge. In order to secure the payment of the assessments or charges hereby levied, a lien for the benefit of the Association, shall be and is hereby reserved in the Deed from the Declarant to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial and nonjudicial

securing the cost of construction of improvements. Sale or transfer of any Lot shall not affect said vendor's lien or power of sale and nonjudicial foreclosure. However, the sale or transfer of any Lot or improvements which is subject to any valid first lien or mortgage or lien securing the construction of improvements, pursuant to a judicial or nonjudicial foreclosure under such lien or mortgage or any conveyance in satisfaction of such debt (commonly called a "deed in lieu of foreclosure") shall extinguish the vendor's lien and power of sale and nonjudicial foreclosure securing such assessment or charge only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or improvements thereon or the Owner thereof from liability from any charges or assessments thereafter becoming due or from the lien thereof. In addition to the automatic subordination provided hereinabove, the Association, in the discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determine.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot or improvements thereon which is used as a residence shall be exempt from said assessments and charges.

ARTICLE V INSURANCE

The Association, through the Board of Directors, or its duly authorized agent, shall have the authority to obtain the following types of insurance policies:

(a) Property insurance covering the Common Area and all improvements thereon in an amount equal to the full replacement value of the improvements and facilities located upon the Common Area and owned by the Association (including all building service equipment and the like) with an "agreed amount endorsement" or its equivalent, a "demolition endorsement" or its equivalent and, if necessary an "increased cost of construction endorsement" or "contingent liability from operation of building laws endorsement" of the equivalent, affording protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsement in Texas, and by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage, and any such other risk as shall customarily be covered with respect to projects similar in construction, location and use;

(b) A comprehensive policy of public liability insurance covering all of the Common Area and insuring the Association, within such limits as it may consider acceptable (for all claims for personal injury and/or property damage arising out of a single occurrence); such coverage to include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, and any other covering the Association

performed pursuant to this Article. The Committee may, however, employ one or more architects, engineers, attorneys, or other consultants to assist the Committee in carrying out its duties hereunder, and the Association shall pay such consultants for such services as they render to the Committee. A majority of the Committee may designate one or more representative(s) to act for it and such representative(s) shall have the full right, authority, and power to carry out the functions of the Committee.

Section 2. Duties and Powers. The purpose of the Committee is to protect the environmental and architectural integrity of the Subdivision in accordance with the provisions of this Declaration. No building, fence, wall, or other structure or improvement of any nature shall be placed, constructed, erected, or maintained on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications for the same shall have been submitted to and approved in writing by the Committee as to (a) conformity and harmony of external design and location in relation to surrounding structures and topography, and (b) quality of workmanship and materials. Any plans and specifications to be submitted shall specify, in such form as the Committee may reasonably require, the location upon the Lot where the improvements are to be placed and the dimensions thereof as well as appropriate information concerning the structural, mechanical, electrical, and plumbing details and the nature, kind, shape, height, color scheme, and materials of the proposed improvements or alterations. The Committee shall also have the right, where not otherwise set forth herein, to specify:

- (a) Minimum setbacks;
- (b) The location, height and extent of fences, walls, or other screening devices;
- (c) The orientation of structures and landscaping on Lots with respect to streets, walks, and structures on adjacent properties, however, the Committee shall not require setbacks further away from the streets than any platted building line; and
- (d) A limited number of acceptable exterior materials and/or finishes that may be used in the construction, alteration or repair of any improvement.

Further, no person exercising any prerogative of approval or disapproval by the Committee shall incur any liability by reason of the good faith exercise thereof.

Section 3. Committee Approval. Any approval or disapproval by the Committee or its designated representative(s) on any of the above matters shall be in writing and either conveyed in person or U.S. mail, postage prepaid. In the event said Committee or its designated representative(s) fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, then such plans and specifications shall be deemed approved. The Committee shall have the right, exercisable at its discretion, to grant variances to the architectural restrictions in specific instances where the Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Subdivision or the common scheme of the development. If the Committee shall approve a request for variance, the Committee

be cut and removed from any Lot at the expense of the Owner. Vacant Lots shall be mowed and maintained in appearance by the Owner and shall not be used as dumping grounds for rubbish, trash, rubble, or soil, except that Declarant or the Committee may designate fill areas into which materials specified by Declarant or the Committee may be placed. The Association may plant, install and maintain shrubbery and other screening devices around boxes, transformers and other above-ground utility equipment. The Association shall have the right to enter upon the Lots to plant, install, maintain, and replace such shrubbery or other screening devices. Owners of residences shall construct and maintain a fence or other suitable enclosure to screen from public view the drying of clothes, yard equipment, and wood pile or storage piles.

Section 2. Failure to Maintain. In the event any Owner of any Lot in the Subdivision fails to maintain the Lot and the improvements situated thereon in a manner satisfactory to the Board of Directors of the Association, the Association, after seven (7) days notice to the Owner of said Lot, setting forth the action intended to be taken by the Association and after approval by a two-thirds ($\frac{2}{3}$) vote of the Board of Directors, shall have the right (but not the obligation), through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements located thereon. To the extent necessary to prevent rat infestation, diminish fire hazards and accomplish any of the above needed repair, maintenance and restoration, the Association shall have the right (but not the obligation), through its agents and employees, to enter any residence or improvement located upon such Lot. Neither the Association nor its agents or employees shall be liable, and are expressly relieved from any liability for trespass or other tort in connection with the performance of the exterior maintenance and other work authorized in this Article. The cost of such exterior maintenance and other work shall be the personal obligation of the Owner of the lot on which it was performed and shall become a part of the assessment payable by said Owner and secured by the liens herein retained.

ARTICLE VIII USE RESTRICTIONS

Section 1. Residential Use. Each and every Lot in the Subdivision is hereby restricted to one residential dwelling for single-family residential use only. As used herein, the term "residential use" shall be held and construed to exclude hospitals, clinics, apartment houses, duplex houses, garage apartments used for rental purposes, boarding, house, hotels, and commercial and professional uses whether from homes, residences, or otherwise, and all such uses of said property are hereby expressly prohibited.

Section 2. Business Activity. Section 10. Signs. No advertising signs (except not more than one nine (9) square foot "For Rent" or "For Sale" sign per Lot), billboards, unsightly objects, or nuisances shall be erected, placed or permitted to remain on any portion of the Subdivision. Declarant and the Association, however, shall have the right to erect identifying signs at each entrance of the Subdivision and Declarant may place and maintain, or permit to be placed and maintained, such builder advertising signs as it may desire in its sole discretion in connection with the construction of homes in the Subdivision. The Board of Directors of the Association shall have the right to enter in and upon any Lot for the purpose of removing any sign being maintained thereon which has to be approved by it. In no event shall the Association or its Board of Directors be liable to any person or persons for any damages of whatever nature for removing such signs in a reasonable manner.

Section 6. Roof Material. Roof of all residences shall be constructed so that the exposed material is of a material and grade that complies with the FHA and VA guidelines in force on the date of construction of the roof involved, and of a color acceptable to the Committee.

Section 7. Driveways. Unless the Committee agrees otherwise, each Lot shall have driveway access to the street on which the Living Unit constructed thereon faces and shall not have driveway access to a street on which it may side. Subject to the foregoing limitation, the Owner of each Lot shall construct and maintain at his expense a driveway from his garage to the abutting street. The Owner shall repair at his expense any damage to the street occasioned by construction and maintenance of the driveway thereto.
